Join our first 2025 Quarterly webinar Birth Parent National Network (BPNN) webinar on Friday February 28th where we will have the opportunity to hear a public policy update from Casey Family Programs. We will then share a lot of exciting new resources for National Parent Leadership Month and how communities and parents are using them. We will also spotlight multiple parent leaders from across the country as we kick off celebrating how parent voice and work is growing. We can't wait to celebrate with you all and dream of what is possible for 2025 and beyond.

We hope you can join us for this exciting webinar to learn more. Please feel free to share this with your colleagues and other appropriate networks.
