

## Bringing the Protective Factors Framework to Life in Your Work

*Llevando el Marco de Factores de Protección de tu Vida al Trabajo*

The Spanish Bilingual Training of Trainers equips bilingual individuals fluent in English and Spanish to deliver training to Spanish-speaking audiences. Trainer materials are provided in English, while presentation materials, including PowerPoints and handouts, are in Spanish, ensuring accessibility and effectiveness for Spanish-speaking participants. The TOT will be led by Spanish-speaking Alliance Certified Trainers and conducted primarily in Spanish. The training will take place over four non-consecutive days, with sessions lasting five hours each day.

**2025 Dates  
TO BE  
ANNOUNCED**

Must attend all four dates for certification. Individuals that are already Alliance Certified Trainers will receive priority registration and a special rate.

**Pre Register**

**Participants in the training are restricted in number, and enrollment is based on a first-come, first-served basis. The tuition fee of \$2,500 covers the training itself and includes materials, shipping, and continuous post-training support.**
