

# Parent Partner Learning Collaborative (PPLC)

## What to Expect in 2026

The Children's Trust Fund Alliance, in partnership with Casey Family Programs, is excited to once again support the Parent Partner Learning Collaborative (PPLC) in bringing our network together through virtual peer learning convenings and also network-wide webinars.

Program administrators, staff and parent partners will have the opportunity to connect, learn from one another, strengthen existing programs, and spark new ideas—while growing a vibrant national learning community grounded in shared experience and collective wisdom.

In 2026, we will:

- Host two dynamic network-wide webinars on relevant and timely PPLC topics;
- Continue offering responsive technical assistance; and
- Convene special meetings as opportunities arise to support real-time learning and collaboration
- Disseminate monthly communications that include helpful resources, learnings from the co-hort work, updates from Parent Partner Programs across the country and relevant news from the field.

Beginning in the first quarter, watch for our monthly communications to help us stay connected.

Please share any topics that you wish for us to address during the webinars or special meetings. We look forward to learning, sharing, and growing together! If you know of others who wish to join the PPLC, become added to the email list, or have questions, please contact Sofia at [sofia.santillana@ctfalliance.org](mailto:sofia.santillana@ctfalliance.org).

The PPLC is supported through a collaboration between the Children's Trust Fund Alliance and Casey Family Programs. The purpose of this collaborative is to build connections among administrators and staff of parent partner programs all across the country, share and spread knowledge, leverage existing resources, address common challenges, and highlight lessons learned.
